Whence came that sprightly step, faultless skin, rich, rosy complexion, smiling face. She looks good, feels good. Here's her secret. She uses Dr. King's New Life Pills. Result, all organs active, digestion good, no headache, no chance for "blues." Try them yourself. Only 25c at all druggists.

Mentioned for President of Clemson.

A gentleman who was in attendance upon the State Farmer's Institute stated to the Spartanburg Herald that Mr. George B. Cromer, President of Newberry College, was mentioned oftener and more favorably among the representative men there for president of Clemson College than any one else.

—Greenville Mountainer, 23.

All Were Saved.

"For years I suffered such untold misery from Bronchitis," writes J. H. Johnston of Broughton, Ga., "that often I was unable to work. Then, when everything else failed, I was wholly cured by Dr. King's New Discovery for Consumption. My wife suffered intensely from Asthma, till it cured her, and all our experience goes to show it is the best 'cure' medicine in the world." A trial will convince you it's unrivaled for Throat and Lung diseases. Guaranteed bottles 50c and \$1.00. Trial bottles free at all druggists.

Captured in Greenwood.

Chief of Police H. C. Hunter went to Greenwood yesterday for Tom Hampton, colored, who has been wanted here for some time. He is wanted on charge of highway robbery, housebreaking and larceny, and stealing keys and releasing a prisoner from the guardhouse. Chief Hunter located him at Greenwood and had him arrested and went after him yesterday.

Look Pleasant, Please.

Photographer C. C. Harlan, of Eaton, O., can do so now, though for years he couldn't because he suffered untold agony from the worst form of indigestion. All physicians and Electric Bitters failed to help him till he tried you for him that he declares they are a godsend to sufferers from dyspepsia and stomach troubles. Unrivaled for diseases of the Stomach, Liver and Kidneys, they build up and give new life to the whole system. Try them. Only 50c. Guaranteed by all druggists.

Burned to Death.

A little negro girl last Thursday morning, who was living with her grandfather, Marshall Wallace, in Gravel Town, this city, was burned to death. It is supposed that she turned a lamp over on a table, the oil saturating her clothing and catching fire. When her grandfather reached her she was enveloped in flames and was so badly burned that she died within a few hours.

To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words cannot tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—G. W. Fry, Viola, Iowa. Health and strength, of mind and body, depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, gives good food you eat. Take a dose after meals. W. E. Pelham & Son.

A FREIGHT TRAIN WRECKED.

The Early Morning Freight on the C. N. & L. Wrecked Near Sligh's—One Man Killed and Three Seriously Wounded.

Yesterday morning the early freight train from Columbia on the Columbia, Newberry and Laurens Railroad, was wrecked one mile this side of Sligh's. The track gave way and the engine turned completely over, wrecking eight or nine box cars.

The fireman, whose name was Burt, was from Honea Path, and was killed outright. His body was mangled considerably.

The engineer, Mr. Oscar Land was seriously wounded, and two negroes, who it is thought are hobos were also seriously hurt.

Crowds gathered at once at the scene of the wreck, and everything possible was done to relieve the suffering of the wounded.

A wreck also occurred on the Southern road, the Spartanburg train, between Alston and Columbia Sunday evening; but with the exception of one man getting his leg broken, no one was hurt.

THE COUNTY CAMPAIGN

Closed at West End Saturday Night—Most Pleasant Throughout.

The county campaign closed on Saturday night. The last meeting was held at West End, and was probably the most largely attended during the entire campaign. Fully four hundred voters listened to the speeches. While the crowd was in a good humor and disposed to cheer the favorites, all the candidates were given a hearing and the meeting passed off pleasantly.

The meeting in the court house on Saturday morning was attended by about 250 voters. A respectful and attentive hearing was accorded each speaker, and there was very little applause.

From Whitmires the candidates went to Mt. Pleasant on Thursday, and to Keitt's grove on Friday. At these meetings there were no special incidents. Both were largely attended by ladies, and the bountiful picnic spread, given by the good people of the Mt. Pleasant section and the excellent barbecue dinner at Keitt's were much enjoyed.

It is all over now, and this morning the gentlemen in the race are awaiting the result with a patience born of confidence. To one who has followed them on their journey from stump to stump throughout the county there has been much of pleasure, and the only regret of your correspondent is that each and every one of the forty-nine candidates in the race can not be elected to the office which he seeks.

It Needs a Tonic.

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Risers expel all poison from the system and act as tonic to the liver. W. Scott, 331 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress. W. E. Pelham & Son.

Messrs. Schelly & Dean are getting in some of their goods this week and will, in a few days, be ready for business.

Prosperity News.

Several new bales of cotton have been sold here already, ranging in price from 8 to 8 1/2 cents.

Dr. Wingard, who has been with Messrs. Hunter & Wheeler for some time, has accepted and entered upon his duties as pharmacist with a popular firm of Columbia. We are sorry to lose "Little Doc." He is an excellent young man and knows his business in a drug store. His place is being filled for the present by Dr. J. I. Bedenbaugh.

Our visitors from Atlanta are Mrs. W. A. Hartman, Miss Lullie Matthews and Mrs. H. E. McWaters.

Misses Lola Lake and Louise Wharton are visiting Miss Estelle Stewart.

Rev. W. A. Lutz will return this week from North Carolina, and will preach at Grace Church next Sunday.

The brick work of the 'city hall' has been completed and it certainly makes a neat appearance.

The brick work of the bank building will be completed in a few days.

We would like to see some of our citizens who own lots here, build several neat cottages. There are only two vacant houses in town and they are already rented. We were talking with a gentleman a few days since who wanted to rent a house but could find none. Some one make a start.

His Sight Threatened.

"While picnicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Ia. "He rubbed the poison off his hands into his eyes and for awhile we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is sure cure. Relieves piles at once. Beware of counterfeits. W. E. Pelham & Son.

Notice.

I want every man and woman in the United States interested in the cure of the Opium and Whiskey habits to have one of my books on these diseases. Address Dr. B. M. Woolley, Atlanta, Ga., Box 387, and one will be sent you free.

THE NEW COURT HOUSE

The Question to be Voted on Friday—How the Matter Stands.

A separate box has been provided for in this election in which the question of building a new court house is to be decided. The court house was greatly damaged last March by water, caused by fire at that time, and there is on hand about \$3,000 for repairs or to go towards building a new one. So the question is left to the citizens of the county to say whether or not to have a new court house. The tickets have been printed Court House: Yes. No. If you favor the building of a new court house vote Yes; if you oppose it, vote No.

The question is not on changing the location, but whether or not a new one will be built.

From Hot to Cold.

Dysentery is prevalent everywhere in summer and is due to miasmatic poisons, and begins abruptly with inflammation of the mucous linings of the large bowel. In America the disease is common, but properly treated does not result as seriously as in the tropics. Perry Davis' Painkiller is the best known remedy and the most efficacious in the treatment of dysentery.

Perfection Attained

"Clifton" fancy patent flour is a perfect flour. It is not possible to put more quality and purity into a flour than our "Clifton" brand contains.

"Clifton" is a soft wheat fancy patent. It is made from select wheat, every grain of which was grown on Kentucky soil—the finest wheat in the wide world. Only the choicest berries are selected. These are thoroughly cleaned, and then by a special process of gradual reduction are converted into flour. The cream of this flour is separated and sifted gently through the finest silk bolting cloth, giving it a velvety softness seldom found in ordinary flour. That's "Clifton," and that's why it is a perfect flour—the finest product expert milling and a modern mill can make from the best wheat grown.

"Clifton" is a flour of quality at a reasonable price. You can pay as much and get an inferior flour, but you cannot get a better flour whatever you pay.

Brain-Food Nonsense

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at
